## TOPIK Vocabulary

936 curated words across TOPIK I & II

This PDF contains the complete vocabulary set used by the HanGuldle Korean Wordle game (<https://hanguldle.com>). Words are organized by difficulty level — Easy (1 character), Normal (2 characters), and Hard (3 characters) — sourced from TOPIK I and TOPIK II curricula.

Practice these words interactively at [hanguldle.com/topik](https://hanguldle.com/topik) — guess the word in 6 tries, with color hints for correct, wrong-position, and absent characters.

### How to use this PDF

- Print or read on screen — designed for both formats.
